Boy Scout Troop 334 - Fun, Adventure, Service

Troop 334 hiking up Giant Mountain during the 2015 Massawepie Adirondack Challenge.

Activities:

Our meetings are held, weekly, during the school year but the fun happens year-round.

Things we've done:

- Week-long camping at BSA Council Camps.
- Week long canoe treks in the Adirondacks.
- Weekend camping here in the Finger Lakes, the Northeast, and Canada.
- National Boy Scout Jamboree
- Visits to the Baseball Hall of Fame, Howe Caverns, Fort Niagara, Gettysburg, and Washington, D.C.
- The Scout Brigades at Fort George in Canada. Biggest cap-gun battle on earth!
- Dorchester International Brotherhood Camporee
- BSA High Adventure Bases - Philmont, Northern Tier, Seabees, and the Summit

For Parents:

The Troop 334 Scouting experience carries on Lord Robert Baden-Powell's legacy of games with a purpose. The boys develop confidence by having fun.

COST: There are no membership dues. The troop will provide a neckerchief, slide, troop numerals, and a copy of the Scout Handbook. Financial assistance is available and the Troop will help every scout with the cost of one high adventure base trip so that every one of our scouts can have that "experience of a lifetime".

YOUR PARTICIPATION: It takes the support of many adults to carry out the scouting program.

Whether you want to just help with small things, come camping, or serve on the troop committee, a helping hand is always welcome. The troop will pay for any training that is required.

We do ask everyone to lend a hand at fundraisers and special events, such as Courts of Honor.

Join the Adventure!

The Scouts and Leaders of Troop 334 invite you to join us for the fun and adventure of Scouting.

Since 1968, we have provided an exciting program for boys from the ages of 10 to 17.

We are a Scout-run Troop. Younger scouts are led by older youth who are mentored by a trained and experienced adult leadership team. Our leaders are fully trained for their positions and many have advanced training.

We have a year-long activities program that includes camping, hiking, field trips and community service projects.
